This is a gorgeous , 20 gauge, Belgium Browning Auto 5 magnum shotgun. It comes with two barrels, Belonged to my Dad, he had always wanted a Browning Shotgun, I remember, he had traded about 15 different guns, in order to purchase this shot gun. It is truly a gorgeous shotgun. I had it appraised at Atwells Sorting goods last year, They appraised it at, \$1,100, they said it was worth more 50% more by being a 20 Gauge.
